The generals of the armies did not respond well to the Christmas truce, which meant that it was the first and last time it happened during the war. It also became one of the last small truces of World War One. There were more instruments than just the voices of soldiers, since reports were made of brass bands from the Germans trenches. It wasn't all about having a good time, however. Once ...

The truce is attributed to the last of the romanticized, "gentlemanly" soldiers of the era. These men confronted their enemies face to face. Military strategies may have certainly changed, but it's comforting to know that on one frosty Christmas morning, adversaries laid down their arms. That they extended hands in a gesture of peace; however temporary it may be. After learning about the ...

The Christmas Truce of 1914 was not a unique occasion in military history. It was a return of a long established tradition. It is common in conflicts with close quarters and prolonged periods of fighting for informal truces and generous gestures to take place between enemies. Similar events have occurred in other conflicts throughout history – and they continue to occur. While the Christmas ...

Truce Tent and Fighting Front covers the last two years in the Korean War and treats the seemingly interminable armistice negotiations and the violent but sporadic fighting at the front. The scene therefore frequently shifts from the dialectic, propaganda, and frustrations at the conference table to the battles on key hills and at key outposts. The author presents a solid and meaningful ...

The truce, which was warmly welcomed as a victory in Azerbaijan, has prompted anger in Armenia, with protesters demanding the resignation of Prime Minister Nikol Pashinyan. Pashinyan has said he had no choice but to sign the agreement to prevent what he has called “total collapse.” Armenia’s National Security Service (NSS) announced last month that it had foiled an attempt by former ...
